Important *REMINDER*

Throughout life we are often confronted with obstacles that can be difficult to overcome. A sudden death in the family can certainly be one of those times. It's important to be sure that you and your family are adequately prepared for all aspects of life, including death.

You can save loved ones a lot of time and hassle by simply naming a beneficiary on all your accounts.

Please contact the Member Services Department to ensure that all your accounts have beneficiaries in place.

Keep your information current

Remember to contact the credit union's Member Services Department if you have a new address, phone number or email address. It is very important that all your information is kept up to date.
